JET EDGE PARTNERS

ABOUT JET EDGE PARTNERS

Jet Edge Partners is a full-service aircraft broker and dealer formed as a division of Jet Edge International. The aircraft sales experts at Jet Edge Partners work to understand the mission profiles, goals, and operational budget of our clientele to ensure they are connected with the best possible aircraft to meet their individual needs. The team is connected in real time to the movements in the markets and are skilled in projecting future trends in the aviation industry. Throughout their careers, the Sales team at Jet Edge Partners have successfully completed aircraft transactions totaling hundreds of millions of dollars. With offices and sales professionals located throughout the United States, Jet Edge Partners provide clients with the knowledge and understanding of the market needed in order to purchase or sell an aircraft with confidence and unmatched customer service. Jet Edge Partners not only transacts aircraft, but alongside Jet Edge International, it operates, owns, and manages one of the largest fleets in the world, providing clients with operational knowledge and resources unmatched in the industry.
