INTERIOR

Refurbished by Duncan Aviation in 2010

The interior refurbishment shows like new and has been impeccably maintained by the current owner.

Configured for seven (7) passengers, the 375 cubic feet of cabin volume is equipped with power outlets throughout, a full-service galley, a private belted lavatory, and ample room for luggage in an external compartment.

The forward cabin consists of two (2) club seats opposite a forward full-service galley.

The aft cabin is a four (4) place club configuration. Club seats are finished in a Mocha colored leather and the wood consists of a Sycamore veneer with Mohawk finish.
