SERIAL NUMBER 258732

PART135 WITH MSP GOLD / WIFI / ADS-B OUT

STAND UP COMFORT WITH COAST-TO-COAST RANGE

The 800XPi, a refinement of the 800XP, boasts interior upgrades also featured in the Hawker 850XP as well as electronic charts with the Collins IFIS 5000. The aircraft can travel over 2500NM with a faster climb, cruise speeds of about 420 knots, and capable of landing in about 2900 feet.

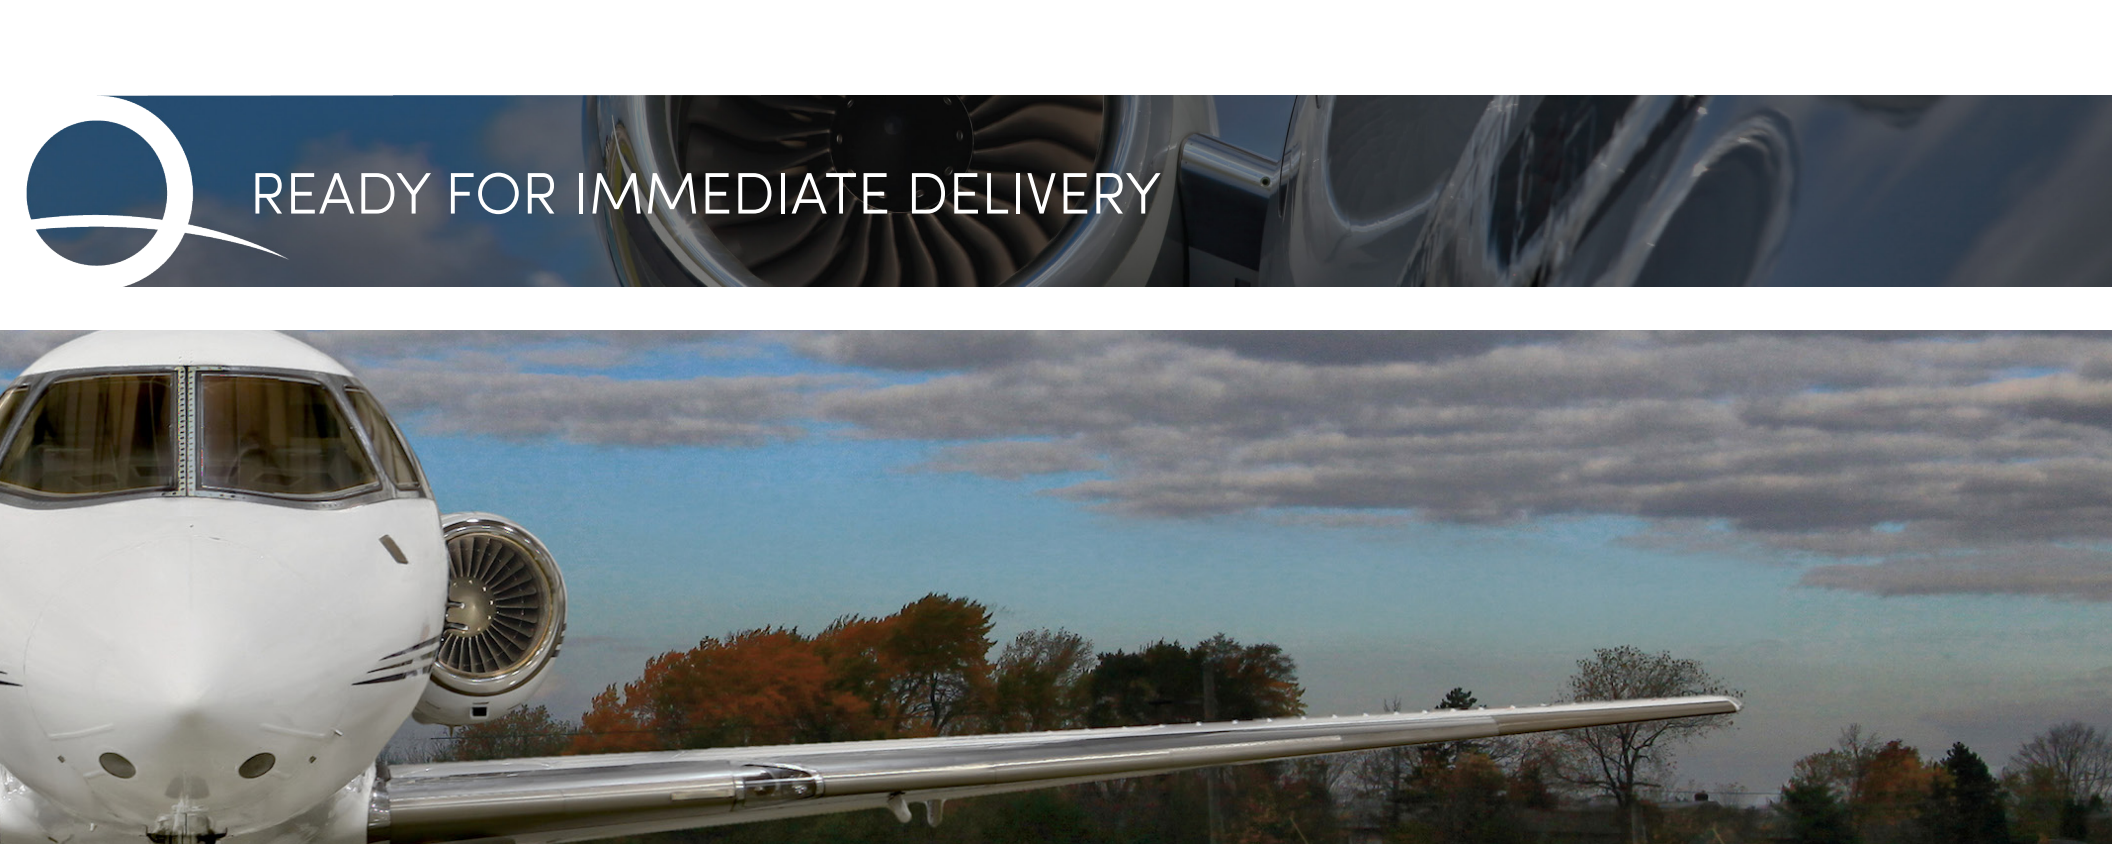

Cabin enhancements include larger, 15-inch video monitors recessed into the cabin bulkheads. They're driven by the Collins Airshow 410 Cabin Management System with user-friendly LCD touch screens at each passenger seat. The interior is fitted with LED lighting throughout, resulting in lower maintenance costs.

The impeccably appointed interior includes new tailoring on the seats, beautiful wood finishes, galley cabinets with invisible hinges, and more robust tables.
