INTERIOR:

The Nine (9) passenger interior includes a four place club with dual executive writing tables, one additional aft facing seat and 2 place belted couch in the forward cabin. All seats have been recently recovered in tobacco leathers and are in excellent condition (2018). The aft cabin also contains a side facing belted and flushing potty. The forward slim line refreshment center includes a heated Mapco, storage for soft drinks, and ice and trash receptacles. The main cabin has a half height refreshment cabinet. The forward and aft cabin has full hardwood doors separating the cockpit and lav areas. All wood work is completed in high gloss birds eye laminates and has been touched up and repaired as needed (2018). A dark Blue carpet with a tan ultra leather headliner and coordinating fabric side panels complete the interior.
