INTERIOR:

This interior was completely refurbished in 2019, in a luxury level far beyond most CJ's. All of the original Cessna Formica was removed, and replaced with a deep, high-gloss wood veneer throughout. The cream-tone leathers, headliner and pleated shades all remain in excellent condition, creating a comfortable sky-office.

EXTERIOR:

The exterior was also refinished in 2019 in a brilliant Matterhorn white accented with sweeping pearl blue lower with red and gold accents . Beautiful paint!.
